

KATE BURR

PROFESSIONAL EVENT MC

KATE'S AN AWARD-WINNING COMEDIAN & PROFESSIONAL MC WHO WILL DELIVER AN EVENT WITH LOADS OF FUN, ENERGY & LAUGHS

DO YOU WANT TO CREATE A FUN, ENJOYABLE EVENT THAT'S THE TALK OF THE TOWN?

DO YOU WANT YOUR EVENT TO SEEM EFFORTLESS AND RUN AS SMOOTHLY AS POSSIBLE NO MATTER WHAT HAPPENS?

DO YOU WANT TO DELIVER AN EVENT THAT'S AN "OUT OF THE PARK" SUCCESS?

For over two decades, Kate has been working with event organisers who are passionate about running enjoyable, successful and well-organised events. Like you, they know they only get one chance to get it right, and a disorganised or boring event can leave a lasting bad impression, where all that hard work ends up being a complete waste of time.

This is where experience counts. There is no point saying "we should do it like this next time" because it needs to be done right this time! Unfortunately, nothing's perfect and life happens, so despite best intentions, sometimes things just don't run to plan or are completely out of our control. Engaging a professional MC who has years of experience navigating and troubleshooting events (so no one even notices if something has gone wrong!) can be the difference between a mediocre event and an event that everyone raves about.

As an award-winning comedian, Kate is able to handle and engage any type of audience with quick wit, humour and grace. She can deliver the right joke, to the right audience at the right time to bring fun, energy and enthusiasm to your next event. Kate helps you create an outstanding live event that is memorable for all the right reasons.

KATE CAN HELP YOU:

Inject fun, energy & laughter into your event by setting the tone, involving the audience and adding humour.

Create engagement so the audience has a great experience, the Speakers provide the most value and the event outcomes are achieved.

Manage the event on the day including the schedule, the people (Speakers & Attendees) and the logistics (tech/venue/breaks etc).

"Kate's background in Stand Up Comedy allowed for a high level of interaction with the audience and captured their attention and focus throughout"
Sally Bolton, AILA

"Kate entertained the crowd and kept them engaged throughout the whole event. She had the whole room captivated"
Carly Thompson-Barry, SA Woman

"Her light hearted and go-get-em attitude was just what our event needed"
Kerri Ireland, SA Health
